Congratulations to August's Leaders of Tomorrow winner, **Austin Gsell**! Austin is a junior at Cumberland Valley High School. He is very involved with the Union Fire Company No. 1 in Carlisle. As a second generation firefighter, Austin has helped respond to medical emergencies, auto accidents, and structure fires. He has even helped rescue ducklings from a storm drain! In addition to his volunteer firefighter involvement, Austin works at Party City. He is interested in obtaining his EMT and Paramedic certifications to work in the medical field or become a paid firefighter upon graduation.
