& Cumberland County*

Congratulations to May's Leaders of Tomorrow winner, Makenna Darr! Makenna is in 7th grade at Wilson Middle School. She is very involved with her Girl Scout troop. Her volunteer work with Girl Scouts includes creating a Christmas wreath for a Carlisle CARES auction, making Christmas ornaments filled with candy for the Claremont Nursing Home residents, serving dessert and performing kitchen clean up for a meal for homeless at St. Paul's Church, helping St. Paul's members bake dozens of cookies for armed service members at Christmas, and collecting bottles and blankets for orphaned baby animals at the Cincinnati Zoo. In addition to her Girl Scout involvement, Makenna is also a member of Kiwanis Builders Club and Student Council. She is interested in becoming an entomologist or a zoologist with a focus on giraffes.
