UNITED WE WIN

2018 Annual Report

(July 1, 2017 - June 30, 2018)

United Way of Carlisle
& Cumberland County

United
Way

PRESIDENT'S MESSAGE

It was my privilege to serve as the 2017-18 President of the United Way of Carlisle & Cumberland County Board of Directors. I am truly honored to have had the opportunity to work with such a great organization and wonderful group of people, all of whom are working to make our home an even better place to live.

As we reflect on another year, we realize our motto – to fight for the health, education, and financial stability of every person in every community – is more important than ever. Opportunity is not a given in our community. Many families struggle to meet basic needs like food and shelter, even with two parents working full-time. We know that when parents struggle, children struggle, and that's where United Way steps in.

Whether it's Success By 6's efforts to help prepare children for success in Kindergarten, or supporting families in need by providing emergency food, housing, and shelter, our goal is always the same: improving lives and strengthening our community. And with the help of our donors, our community partners, our volunteers, and our friends like you, we change the odds for children and families in our region. These pages reflect that effort and the work we accomplished last year.

On behalf of the entire Board of Directors, the United Way team, our partner agencies, and all the families helped by your support, thank you to everyone who made our 2017 fundraising campaign a success. We are blessed to be a part of such a caring and giving community, and we celebrate this accomplishment with grateful hearts.

Sincerely,
Amanda Brigaman
Board President
