

How It Works

United Way is pleased to offer this unique giving option that allows community leaders to “step up” to the \$10,000 level of giving gradually over three years and be recognized as Tocqueville Society members from the very first year. Step-Up Program members make a commitment now for their United Way giving over a period of three years: \$5,000 in year one, \$7,500 in year two, and the full \$10,000 in year three.

Donor Designations

We suggest you allow your gift to advance the common good by being invested in United Way’s Community Impact Fund, which supports 35 programs that meet community priorities and produce measurable results. While unrestricted gifts can help the greatest number of people, you may direct part of your gift to any 501(c)(3) non-profit in any location—they do not have to be associated with United Way. No fees are charged to you or the organization. You must leave a minimum in the United Way’s Community Impact Fund each year: \$1,250 in year one, \$1,875 in year two, and \$2,500 in year three.

Recognition

All Step-Up Program donors will be recognized as full members of the Tocqueville Society. You will be invited to attend all Tocqueville events, and will be listed as Tocqueville members in the annual report.
