#### INDEPENDENT AUDITOR'S REPORT

Board of Directors United Way of Carlisle & Cumberland County and United Way Endowment Fund of Carlisle Pennsylvania Carlisle, Pennsylvania

#### **Report on the Financial Statements**

We have audited the accompanying consolidated financial statements of the United Way of Carlisle & Cumberland County and United Way Endowment Fund of Carlisle Pennsylvania (the Organization), which comprise of the consolidated statement of financial position as of June 30, 2022, the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements, collectively the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the United Way of Carlisle & Cumberland County and United Way Endowment Fund of Carlisle Pennsylvania as of June 30, 2022, and the results of their operations and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are issued or are available to be issued.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing an
  opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion
  is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements:
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

### **Report on Summarized Comparative Information**

We have previously audited the United Way of Carlisle & Cumberland County and United Way Endowment Fund of Carlisle Pennsylvania's 2021 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated September 9, 2021. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2022, is consistent, in all material respects, with the audited financial statements from which it has been derived.

### **Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the financial statement as a whole. The accompanying supplementary information is presented for the purpose of additional analysis and is not a required part of the financial statement. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

### Note 1. Nature of Activities and Significant Accounting Policies

<u>Nature of Activities</u>: The United Way of Carlisle & Cumberland County (the United Way) was founded in 1918, as the "Patriotic and Benevolent" fund and is one of the oldest in the country. Since its founding, it has also been known as the Community Chest, the United Fund and the United Way of the Greater Carlisle Area. The United Way of Carlisle & Cumberland County was incorporated in 1960.

Our mission is to "unite people and resources to build a stronger, healthier Carlisle and Cumberland County." The annual campaign provides allocations to partner agencies and also distributes donor designated gifts. Beyond this financial support, partnerships with the private, public and nonprofit sectors allow issues of importance to be addressed and resolved. In-kind gifts, training and grants allow for increased and more effective services.

The United Way Endowment Fund of Carlisle Pennsylvania (the Endowment Fund) was established with the ultimate goal to cover all operational costs through income from sources such as endowment interest, thereby freeing all campaign income for needed health and human care services. See additional information on the Endowment Fund in Note 7.

<u>Principles of Consolidation</u>: The accompanying consolidated financial statements include the accounts of the United Way and the Endowment Fund. The Endowment Fund exclusively supports programs and activities of the United Way. Some members of the board of directors of the United Way serve as advisors for the Endowment Fund, and, as such, exercise control over the operations of the Endowment Fund. All material intercompany transactions have been eliminated in the consolidated financial statements.

<u>Basis of Presentation</u>: The United Way of Carlisle & Cumberland County and United Way Endowment Fund of Carlisle Pennsylvania's consolidated financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) as promulgated for not-for-profit organizations. Those standards require the Organization to report information regarding its financial position and activities according to the following classes of net assets:

<u>Net assets without donor restrictions</u>: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the Board of Directors.

<u>Net assets with donor restrictions</u>: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified in the Statement of Activities from net assets with donor restrictions to net assets without donor restrictions.

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

### **Note 1.** Nature of Activities and Significant Accounting Policies (Continued)

Adoption of New FASB Accounting Standard: In 2022, the Organization adopted the Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2020-07, *Not-for-Profit Entities* (Topic 958): Presentation and Disclosure by Not-for-Profit Entities for Contributed Nonfinancial Assets, which requires not-for-profit entities to present contributed nonfinancial assets as a separate line item in the Statement of Activities, apart from contributions of cash and other financial assets. Also, this ASU requires disclosure of a disaggregation of the amount of contributed nonfinancial assets by category that depicts the type of contributed nonfinancial assets as well as additional information around valuation and usage of the contributed nonfinancial assets. The amendments have been applied retrospectively to all periods presented, with no effect on net assets.

Recent Accounting Pronouncement: In February 2016, FASB issued ASU 2016-02, *Leases* (Topic 842). The most significant change in the new lease guidance requires lessees to recognize right-of-use assets and lease liabilities for all leases other than those that meet the definition of short-term leases. For short-term leases, lessees may elect an accounting policy by class of underlying asset under which these assets and liabilities are not recorded, and lease payments are generally recognized over the lease term on a straight-line basis. This change will result in lessees recognizing right-of-use assets and lease liabilities for most leases currently accounted for as operating leases under legacy accounting principles generally accepted in the United States of America. For all entities other than public-business enterprises, this Standard is effective for annual periods beginning after December 15, 2021, and interim periods within annual periods beginning after December 15, 2020. Early adoption is permitted. Management is currently evaluating the effects that this Standard will have on the Organization's consolidated financial statements.

<u>Annual Campaign</u>: Annual fundraising campaigns are conducted each fall to generate funds to support operations and to provide allocations to member agencies.

<u>Cash and Cash Equivalents</u>: For purposes of the Statement of Cash Flows, the United Way considers all unrestricted highly-liquid investments with an initial maturity of three months or less to be cash equivalents, except for cash or money market accounts held by external managers. Cash equivalents at June 30, 2022 and 2021; consist of money market funds in accounts at local financial institutions.

<u>Property and Equipment</u>: Property and equipment are stated at cost less accumulated depreciation. Property and equipment costing over \$1,000 are capitalized. Depreciation is computed using the straight-line method over the assets' estimated useful lives. Upon retirement or sale, the cost and accumulated depreciation of such assets are removed from the accounts, and any resulting gain or loss is included in the determination of changes in net assets. Expenditures for maintenance and repairs, which neither materially add to the value of property and equipment nor appreciably prolong their useful lives, are charged to expense as incurred.

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

### Note 1. Nature of Activities and Significant Accounting Policies (Continued)

<u>Pension Plan</u>: The United Way maintains a Simplified Employee Pension Plan, open to all eligible participants. Contributions to the Plan are computed at 7% of wages totaling \$14,218 and \$15,209 for the years ended June 30, 2022 and 2021, respectively.

<u>Accrued Vacation</u>: The United Way employees are entitled to certain compensated absences, sick leave and vacation time as more fully described in Note 19.

<u>Use of Estimates</u>: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America includes the use of estimates that affect the financial statements. Accordingly, actual results could differ from those estimates.

<u>Income Taxes</u>: The United Way and the Endowment Fund qualify as a tax-exempt Organization under Section 501(c)(3) of the Internal Revenue Code; therefore, no provision for Federal income taxes has been established.

Management has assessed the Organization's exposure to income taxes at the entity level as a result of uncertain tax positions taken in current and previously filed tax returns. Examples of tax positions taken at the entity level include the continuing validity of its exempt organization status, potential filing requirement for unrelated business income and other tax positions that could result in income tax liabilities to the Organization upon examination by taxing authorities Presently, management believes that it is more likely than not its tax position will be sustained upon examination, including any appeals and litigation, such that the Organization has no exposure to income tax liabilities from uncertain tax positions.

<u>Investments</u>: The United Way reports investments in equity securities with readily determinable fair values and all investments in debt securities at fair values with gains and losses included in the Statement of Activities.

<u>Support and Revenue</u>: Contributions received, and unconditional promises-to-give are measured at fair value and are reported as increases in net assets. The Organization reports gifts of cash and other assets as support with donor restrictions if they are received with donor stipulations limiting the use of the donated assets, or if the gifts are designated for future periods. When a donors' restriction expires; that is, when stipulated, time restrictions end or purpose restrictions are accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statement of Activities as "net assets released from restrictions". Donor-restricted contributions, the restrictions of which are met in the same reporting period, are reported as support without donor restrictions.

The Organization reports gifts of materials and equipment as support without donor restrictions unless explicit, donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as support with donor restrictions. Absent explicit, donor stipulations about how long those long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

### Note 1. Nature of Activities and Significant Accounting Policies (Continued)

<u>Donated Materials and Services</u>: Materials and other assets received as donations are recorded and reflected in the accompanying financial statements at their fair values upon receipt.

Advertising Expense: The Organization expenses advertising costs as incurred.

<u>UWWW Cost Deduction Standards</u>: United Way Worldwide has created a uniform standard for deducting fundraising and management and general expenses from donor pledges. The United Way of Carlisle & Cumberland County has made a commitment to comply with this standard.

<u>Subsequent Events</u>: Subsequent events have been evaluated through October 13, 2022, which is the date the financial statements were available to be issued.

### Note 2. Liquidity

Financial assets available for general expenditure; that is, without donor or other restrictions limiting their use; within one year of June 30, 2022 and 2021, respectively, comprise the following:

### **Note 2.** Liquidity (Continued)

United Way of Carlisle & Cumberland County and United Way Endowment Fund of Carlisle Pennsylvania is funded in part by contributions from donors that contain restrictions. Those restrictions require that resources be used for certain purposes or in future periods. Therefore, the Organization must maintain adequate resources to meet those responsibilities to its donors, and as a result, certain financial assets may not be available for general expenditure within one year. As part of its liquidity management, the Organization has a policy to structure its financial assets to be available as general expenditures, liabilities, and other obligations become due. The Organization invests its cash in excess of its daily needs in interest-bearing accounts and marketable securities. The Organization can also draw upon a \$300,000 line-of-credit (as discussed in Note 11).

Board designated net assets represent cash reserves established by the Organization's Board of Directors for future use. However, these reserves may be available currently if necessary.

#### Note 3. Unconditional Promises to Give

Unconditional promises to give represent pledges remaining from the annual campaign that are expected to be collected within one year and are recorded at net realizable value. Each year management estimates an allowance for uncollectible pledges based on past collection experience and on current economic conditions. The allowance recorded as of June 30, 2022 and 2021, is estimated at 2.5% and 3.0% of actual pledges, respectively.

	2022	2021

#### Note 4. Allocations

Allocations payable consist of amounts committed to partner agencies through December 31, 2022, but not paid as of June 30, 2022.

Allocations expense represents amounts from the 2021 Campaign paid to agencies January through June 2022, and amounts committed from the 2021 Campaign that will be paid July through December 2022.

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

### **Note 5.** Functional Expense Allocations

The United Way allocates expenses not associated with allocations to agencies, other identified programs, and United Way dues based on actual time and cost studies. The United Way has identified four functional areas to which expenses are allocated as follows:

<u>Community Impact and Partner Agency Relations</u> - Costs incurred to provide assistance to community non-profit agencies in their operation or start-up. Expenses incurred for year-round education of donors including supporting activities with partner agencies and fund distribution determination.

<u>Success By 6</u> - Costs incurred to provide training and mentoring to child care providers to improve the quality of child care in the greater Carlisle area. Expenses incurred to educate area businesses, parents and the general public about issues in early learning. Also, costs associated with school readiness and the coordination of efforts between providers and school districts.

<u>Management and General</u> - Administrative and operational costs of managing the United Way offices.

Fundraising - Expenses associated with the annual campaign and other fundraising activities.

Management reviews functional expense allocations regularly throughout the year.

#### **Note 6.** In-Kind Donations

The United Way received donated professional services, supplies, advertising and assets. The United Way's policy for in-kind donations is to utilize all donations in the period they are donated. Donated advertising is valued by the United Way Worldwide as an allocation of the percentage of total cost that was donated based on hours of advertisements provided. Donated services are recoded at fair market value based on the cost charged to other consumers for the same or similar services provided. Donated supplies and assets are recorded at fair market value at the date and price when purchased by the donor or when donated by a retailer. These transactions are considered to be noncash transactions for purposes of the Statement of Cash Flows. No donor imposed restrictions were identified for donations received during the years ended June 30, 2022 and 2021.

### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

### **Note 6. In-Kind Donations (Continued)**

For the years ended June 30, 2022 and 2021, in-kind contributions were as follows:

	2022			2021
Contributions				
Donated advertising	\$	9,286	\$	17,800
Donated supplies		3,320		-
Donated services		3,676		-
Donated assets		29,084		-

Equipment and furniture		5,324		-
Expenses				
Programs and support		16,282		17,800
	\$	45,366	\$	17,800

The United Way receives donated services in the form of volunteerism. No amounts have been reflected in the financial statements for volunteer services since no objective basis is available to measure the value of such services. Nevertheless, a substantial number of volunteers donated significant amounts of their time to the United Way's programs and fundraising efforts.

The United Way of Carlisle & Cumberland County is in a unique position to connect agencies with people and organizations that have items to donate. Other "matches" of donated items to agencies are regularly made on an as needed or requested basis. The values of in-kind donations which are passed through the United Way are not recognized as contributions by the United Way since these items do not create any value for the United Way.

### Note 7. Beneficial Interest in Split-Interest Trusts, Endowment Fund and Board Designated Investment

The United Way is the beneficiary of income generated by three split-interest trusts and the Endowment Fund, (consisting of the Brenneman endowment, the Civic Club of Carlisle Fund, and the United Way perpetual endowment fund trust) created to provide future financial benefits to the United Way. The split-interest trusts and the Endowment Fund are held and managed by the trust departments of local financial institutions.

Trust income, reflected in the financial statements as support, represents amounts received from the split-interest trusts and the endowment fund in which the United Way is entitled to a specified share of the income.

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

### Note 7. Beneficial Interest in Split-Interest Trusts, Endowment Fund and Board Designated Investment (Continued)

The United Way perpetual endowment fund trust allows the distribution based on a "Total Return" approach, the Brenneman endowment and the Civic Club of Carlisle Fund allows for the income of the trust to be distributed.

The United Way is entitled to one-sixth of the income less allowed expenses generated from two split-interest trust funds and is entitled to one-tenth of the income less expenses of one split-interest trust fund.

The following schedule shows the value of the Endowment Fund/Board Designated Investment and each of the split-interest trusts:

In August 2008, FASB issued Staff Position No. 117-1, Endowments of Not-for-Profit Organizations: Net Asset Classifications of Funds Subject to an Enacted Version of the Uniform Prudent Management of Institutional Funds Act [UPMIFA] and Enhanced Disclosures for all Endowment Funds (FSP).

Much of the guidance in the FSP relates to revisions to the rules governing the accounting for donor restricted endowment funds subject to UPMIFA. The Commonwealth of Pennsylvania has not adopted UPMIFA. Nonprofit corporations in Pennsylvania follow Act 141. Under Act 141, a nonprofit corporation can elect to adopt and follow a "total return" investment policy, i.e., a policy to seek the best total return on the principal whether from capital appreciation, earnings, or both.

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

### Note 7. Beneficial Interest in Split-Interest Trusts, Endowment Fund and Board Designated Investment (Continued)

Consistent with Donor expectations and the Board's view that the United Way Endowment Fund's purpose is to provide ongoing funding to defray the administrative costs associated with the operations of the United Way and ultimately to provide funds for distribution to Partner Agencies in addition to those raised by the United Way's Annual Campaign, the Endowment Investment Committee expects that distributions from the Endowment Fund will be based on a "Total Return" approach.

This approach will take into account both income in the form of earnings on the Fund and capital appreciation, both realized and unrealized. The spending policy for the Endowment in lieu of paying income (interest and dividends) only would be an election to pay between 2% and 7% of the fair market value of the entire trust, averaged over the prior three fiscal years ending June 30th. The amount distributed to the Organization is recorded as an increase in Net Assets Without Donor Restrictions since the monies are to be used to pay for the operations of the Organization. For the year ended June 30, 2021, the Board approved 4.5% as the income percentage.

The income from the Brenneman endowment is to benefit neglected children in the Village of Boiling Springs, the Borough of Carlisle and adjacent areas, the interest and dividend income, less management fee, will be paid out to the United Way of Carlisle & Cumberland County at least annually.

The income from the Civic Club of Carlisle Fund is to benefit one of the following agencies: Community CARES, CPARC/The ARC of Cumberland and Perry Counties, Domestic Violence Services of Cumberland and Perry Counties, Hope Station, Sadler Caring Center, The Salvation Army, Samaritan Fellowship and Warm the Children. The interest and dividend income, less management fees, will be paid out at least annually.

The overall objectives for the Endowment Funds are to invest the Endowment Fund in accordance with any legally applicable donor or statutory restrictions, with an emphasis on growth of principal and to ensure stability. The investment guidelines are based upon an investment horizon of greater than ten years, so that interim fluctuations should be viewed with appropriate perspective. Similarly, the Endowment Fund's strategic allocation is based on this long-term perspective. Long-term growth is the primary objective and investment therefore should be directed toward overall appreciation by maximizing the total investment return over this extended horizon. The Board requires that the assets of the Endowment Funds be invested in a prudent manner, in a broadly diversified portfolio spread over multiple asset classes.

#### **Note 8.** Fair Value Measurements

The Fair Value Measurement Topic of FASB Accounting Standards Codification (ASC 820) establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The assets that are recorded at fair value on a recurring basis are investments including the Endowment Fund and split-interest trusts. The Organization has no financial liabilities or non-financial items that are recorded at fair value on a recurring basis. The following are descriptions of the valuation methodologies used for assets measured at fair value:

*Cash Equivalents*: Valued using a pricing model or series of matrices based on standard inputs which may include benchmark yields, reported trades, broker/dealer quotes, issuer spreads, two-sided markets, benchmark securities, bids, offers and reference data including market research publications.

Common stocks, foreign stocks and mutual funds: Valued at the closing price reported on the active market on which the individual securities are traded.

### **Note 8.** Fair Value Measurements (Continued)

*U.S. Government, Municipal, Corporate bonds and notes*: Valued using a multi-dimensional relational model based on standard inputs which may include benchmark yields, reported trades, broker/dealer quotes, issuer spreads, two-sided markets, benchmark securities, bids, offers and reference data including market research publications.

*Other*: Valued using pricing models and/or discounted cash flow methodologies which require significant management judgment or estimation.

### Note 18. Dues to United Way Worldwide and United Way of Pennsylvania

For the right to use the logo and related United Way services, the United Way of Carlisle & Cumberland County paid dues of one cent on each campaign dollar raised to the United Way Worldwide (UWWW). UWWW provides access to training, national radio and television spots and the NFL partnership and promotion. This 1% is underwritten by our 100% guarantee sponsors so that 100% of undesignated campaign dollars goes directly to fund programs.

United Way of Pennsylvania dues are paid voluntarily for representing our interest to the legislature in Harrisburg. They have taken a lead in several state-wide initiatives of great importance to us locally, such as the "2-1-1" line for information/referral.

### Note 19. Compensated Absences

The United Way allows full-time employees to accumulate sick leave up to a maximum of 90 days. Accumulated sick leave is not payable on termination. ### Note 20. Designations

Because of its community and needs-based distribution process, the United Way of Carlisle & Cumberland County advocates for contributions to be left undesignated when possible. Knowledgeable volunteers receive training and spend hundreds of hours scrutinizing agency programs and budgets to disseminate funds under their responsibility. Essentially, the United Way serves to act as a "mutual fund," thus enhancing the donor's dollar and multiplying its impact. However, if a donor has a special area of need or an agency they wish to support, the United Way provides this customer service through its donor designation program. Designations are made to other United Ways, partner and non-partner nonprofit agencies, or fields of services with minimal or no processing fees. In these instances, the United Way of Carlisle & Cumberland County is responsible for processing the donor's gift.
